

WL 149

wall light, LED, 3000K, white, 16W

The elegant WL 149 wall light is a combination of steel and glass. The wall light is available with white and chrome housing colours. The two long-life LEDs are each 16W and provide the required illumination strength. The wall light has a strong design and can be directly connected to the 230V mains supply as it has an integrated LED driver.
